Dear Parents/Carers,

I hope you had a good summer; the children certainly seem to have enjoyed themselves and have returned to school with lots to tell us about their holidays.

We have had a good start to the new school year, **behaviour has been excellent** this week; the children are already settled and enthusiastic about what they are doing.

I have received many positive comments about the **new morning arrangements** from parents, staff and children. Thank you for your patience at the beginning of the week when we had a few “teething troubles” with it!

Our School Improvement priorities for this year are ICT, continuing to develop the use of the new frameworks for Literacy and Numeracy and also continuing to develop the use of SEAL. Work on the use of the school grounds and the curriculum will also continue. (We may be busy!)

From 14th September bollards will be in place on the main drive from **8.30am to 9.00am** and from **2.00pm**. This will prevent the movement of vehicles on the school grounds at busy times, further improving pupil safety.

On the back of this letter are **dates of events** for the school year which have already been set. Information about additional dates will be sent out at the beginning of each term and will be on the school website.

I look forward to a successful school year for all our pupils, so if you have any concerns or comments please don't hesitate to pop into school, phone or e-mail us.

Yours sincerely,

Julia Brown
